It All Began in 1924

A Brief History of the Center Fair

1924 is when the Center Fair really began. In those days the Historic Center Arbor was just 48 years old and, in fact, Davie County itself was a mere 88 years old. Nationally, Calvin Coolidge was President and the first Macy's Thanksgiving Day Parade was coming in November. Things were pretty prosperous and we were in the thick of the "roaring twenties."

In the Center Community a group of people met and organized the first Center Fair which was open to all residents of Davie County to enter. Apparently the Center folks had held their own small fair for a few years for just the local community. This fair would be larger and would be open to all residents of Davie County. It was held at the Historic Center Arbor. According to newspaper articles of the time the early fair was not held on a weekend like it is now. It was actually held on WEDNESDAY, October 22nd. In 1925 the date was moved to the last Wednesday in September and in 1926 it expanded to include a second day on Thursday. The event included many categories that are still around today but at that time they also judged livestock including cows, pigs, chickens, etc.

After the hugely successful fair of 1926 it seems Center had outgrown its available space. Plans were made to merge the Center Fair organization with another group and create a new fair located in Mocksville called the Davie County Fair. This fair was held at the Masonic Picnic Grounds starting the following year and ran from 1927 through 1938. After that time the Center Grange held a couple of fairs. In 1954 Center Community revived the fair again and around that time the community began holding barbecues and other events to raise money for the new Center Volunteer Fire Department which was founded in 1957.

Today the annual Center Fair and Barbecue draw large crowds over two days (Friday & Saturday) in early September. As in the beginning it continues to be open to ALL RESIDENTS of Davie County. Today the fair includes craft vendors, tents for local community organizations, and antique tractors in addition to the fair exhibits and categories for all ages in the Center Arbor and Center Community Building...plus a few thousand pounds of smoked pork barbecue too!
